

Library as a Learning Resource

4.2.1 Institution has adopted automation of library using Integrated Library Management System (ILMS) or any other software:

The College Library is fully well equipped, Wi-Fi enabled and speed is 100 Mbps and has a seating capacity of 40 users, consisting of provision to enable students to access information for their academic pursuits through internet and e-resources. Additionally, 2 computers have been installed for the students of K.M.E.S College of Education.

College of Education keeping in view the mission and vision of **UNIVERSITY OF MUMBAI** provides all the resources required to empower women through Education. Library is located on the 3rd Floor of the campus with a total area of 539.48sq. ft. The library is well equipped with all the facilities for students and faculty members and provides them with sufficient teaching- learning material. The library has ample books to refer for the core and elective papers as well as for professional growth. The Library also has a reading room for students and faculty to work upon references and study material. The library plays a vital role in the Teaching-Learning Process as it provides the material online as well as offline to refer. The students get the books issued for a week and avail the facility of library and its resources to the fullest. Library of K.M.E.S College of education is not just a center of learning but also an ocean of knowledge and learning experiences. Students and faculty contribute to the library facilities by actively participating in all the activities organized by the Library Cell from time-to time. Library of K.M.E.S College of education keeps on updating itself with latest books and journals to keep abreast of the changing scenario in the Education Industry. The Librarian ensures the students make optimal use of the library.
